Description of Development: _____

Submittal Requirements: Site Plan showing the location of all existing and proposed structures, water bodies, adjacent roads, lot dimensions, 100-year floodplain boundary, and floodway boundary, if applicable, and proposed development. If proposed development is a new structure or substantial improvement of an existing structure, a certified and completed FEMA Elevation Certificate that includes the proposed elevation of the structure's lowest floor (including basement) shall be submitted.

Certification and Acknowledgement:

I certify that I am the owner or the authorized agent of the owner of the property upon which the work authorized by the permit sought will be performed. I further certify that the information given is true and correct to the best of my knowledge. All work will be performed in accordance with all applicable laws of the State of North Dakota and Burleigh County.
