It also would prohibit an individual from being elected as Governor more than twice. Service as a member of the legislature or election to the office of governor before the effective date of this measure would not count towards an individual's eight-year or two-election limit. An individual would not be allowed to serve a full or remaining term as a member of the legislature if serving the term would cause the individual to serve a total of more than eight years in that particular house. Any amendment to this article could not be proposed by the legislature, but only by citizen initiative. The article would become effective on January 1, 2023 if approved by the voters.
